WHY KURIPPEDU OS?

Quantum-Resilient Security

Future-ready protection for institutional data and digital assets.

NAAC & NIRF Compliance Ready

Built-in frameworks and data structures to simplify accreditation and ranking processes.

AI-Powered Workflow Automation

Reduce administrative workload through intelligent process orchestration.

Lifecycle-Driven Academic Architecture

End-to-end support for the complete student and academic lifecycle.

Institutional Intelligence Engine

Transform institutional data into actionable insights and strategic decisions. Powered by Pluto AI™.

AI-Powered Automated Reporting

Generate intelligent insights and automated reports in minutes.

Unified Communication Layer

Official communication, collaboration, and engagement within a governed ecosystem.

99.9% Uptime Cloud Infrastructure

High availability, scalable and secure cloud infrastructure.

Student Success Framework

Personalized learning pathways, certifications, internships, and career readiness.

Seamless Data Migration Support

Expert assistance for secure and smooth migration from legacy systems.

Pluto AI

Your Intelligent Digital Assistant

- ✓ Conversational Queries
- ✓ Predictive Insights
- ✓ Smart Recommendations
- ✓ Automated Workflows
- ✓ Institutional Intelligence

Flexible Cloud & On-Premise Deployment

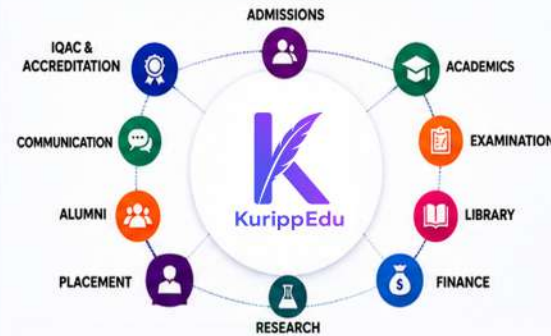

Choose the deployment model that fits your institution perfectly.

Intelligent Communication & Collaboration Workspace

Unified communication hub for faculty, staff and students. Collaborate. Communicate. Continuously.

INSTITUTIONAL INTELLIGENCE ECOSYSTEM

46+ Modules | 1000+ Features
One Integrated Platform

24/7 Support

Future-Ready Innovation

Let's begin your journey towards an Intelligent Campus.

A simple, proven onboarding process designed to ensure a smooth implementation and long-term success.

Dedicated Experts
A team that works as an extension of your institution.

Proven Methodology
Battle-tested process for rapid and successful implementations.

On-Time Delivery
Committed to timelines with transparency at every step.

24/7 Support
Always here for you, before, during and after go-live.

Continuous Innovation
Regular updates, new features and future-ready roadmap.

What Academic Leaders Say About KurippEdu OS

Trusted by decision-makers across Schools, Colleges, Universities, and Autonomous Institutions.

★★★★★ 4.7/5

"KurippEdu has been a valuable technology partner in our institution's digital transformation journey. Their customized ERP solutions streamlined our registration process, IQAC data management, and departmental workflows with exceptional efficiency. The platform has significantly improved data accuracy, accreditation readiness, and institutional reporting while reducing manual effort. Their team's responsiveness, technical expertise, and commitment to excellence make KurippEdu a trusted ERP solution for higher education institutions.

Dr. C. Amirthavalli, Dean
Internal Quality Assurance Cell (IQAC), Madras Christian College (Autonomous)

★★★★★ 4.5/5

"KurippEdu delivered an intuitive and efficient solution that significantly streamlined our attendance management and event reporting processes. Their technical expertise, responsiveness, and commitment to quality ensured a smooth implementation and exceptional user experience. The platform has improved workflow efficiency, reporting accuracy, and overall operational effectiveness. We highly appreciate the team's professionalism and dedication to delivering impactful solutions."

Dr. R. Belinda, Director
Office of Extension Programmes, Associate Professor, Department of Social Work (SFS),
Madras Christian College, Chennai
